Attached please find the position and closing date request form, completed with the applicable information for AD sales.

As we discussed on the phone this morning, all our publications are sold in two month increments, thus the space and material close for each two month insertion is the same. Additionally, Cosmopolitan and Redbook are sold as a package through AD sales, available as such only in the military overseas.

I hope this clears up a few questions not answered on the attached sheets. If you should need any additional information please do not hesitate to contact me.

Sincerely,
Ronda

P.S. Please note the correct spelling of my name on the top of this FAX.
